Rice Business Transportation and Service 's  
No. SGC 017/2565  
Corporate Social Responsibility (CSR) Policy**

---

Crop Integration Business Rice Business Transportation and Service 's a comprehensive agricultural, transportation, and service business, is committed to operating our business in a manner that benefits the nation, the people, and the organization, in line with the 3 benefits philosophy of the Charoen Pokphand Group. We are also committed to achieving the United Nations' Sustainable Development Goals (SDGs) by focusing on three strategic pillars: economic development, social development, and environmental protection.

We promote innovation aligned with our corporate values to achieve efficiency, speed, and quality, turning challenges into opportunities. We embrace change with integrity and honesty, developing our workforce to become both good and capable individuals. Through our CSR initiatives, we aim to foster a spirit of volunteerism and work together with the community to achieve sustainable growth.

To ensure that this CSR policy is effectively implemented, all companies are required to adapt it to suit their respective business operations.
